§ 300.707

under section 611 of the Act for the base year on the basis of children aged 3 through 5, but does not make FAPE available to all children with disabilities aged 3 through 5 in the State in any subsequent fiscal year, the Secretary computes the State's base year amount, solely for the purpose of calculating the State's allocation in that subsequent year under §§ 300.707–300.709, by subtracting the amount allocated to the State for the base year on the basis of those children.

(Authority: 20 U.S.C. 1411(e)(1) and (2))

§ 300.707 Increase in funds.

If the amount available for allocations to States under § 300.706 is equal to or greater than the amount allocated to the States under section 611 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(a) Except as provided in § 300.708, the Secretary—

(1) Allocates to each State the amount it received for the base year;

(2) Allocates 85 percent of any remaining funds to States on the basis of their relative populations of children aged 3 through 21 who are of the same age as children with disabilities for whom the State ensures the availability of FAPE under Part B of the Act; and

(3) Allocates 15 percent of those remaining funds to States on the basis of their relative populations of children described in paragraph (a)(2) of this section who are living in poverty.

(b) For the purpose of making grants under this section, the Secretary uses the most recent population data, including data on children living in poverty, that are available and satisfactory to the Secretary.

(Authority: 20 U.S.C. 1411(e)(3))

§ 300.708 Limitation.

(B) That amount multiplied by 90 percent of the percentage increase in the amount appropriated from the preceding fiscal year.

(1) The amount it received for the preceding fiscal year; and

(2) That amount multiplied by the sum of 1.5 percent and the percentage increase in the amount appropriated.

(c) If the amount available for allocations to States under § 300.703 and paragraphs (a) and (b) of this section is insufficient to pay those allocations in full those allocations are ratably reduced, subject to paragraph (a)(1) of this section.

(Authority: 20 U.S.C. 1411(e)(3)(B) and (C))

§ 300.709 Decrease in funds.

If the amount available for allocations to States under § 300.706 is less than the amount allocated to the States under section 611 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(a) If the amount available for allocations is greater than the amount allocated to the States for the base year, each State is allocated the sum of—

(1) The amount it received for the base year; and

(2) An amount that bears the same relation to any remaining funds as the increase the State received for the preceding fiscal year over the base year bears to the total of those increases for all States.
